Sir:

In connection with the above-referenced patent application and per a telephone conversation with a Clerk in the 2100 Examining Group, attached hereto is a faxed version of a Missing Parts Response that was sent timely on December 19, 2001. However, because FIG. 17 was not attached and an error in the serial number on the Petition for Extension of Time occurred, per the clerk's direction, we attach a new package in its entirety to hopefully cause less confusion for the USPTO. A corrected Petition for Extension has been attached. The clerk indicated that Applicant would not be required to pay the second extension fee because it was timely filed originally.

Please deduct the patent filing fee and extension fee from our deposit account 20-1469. Please call the undersigned if you have any questions. Applicant appreciates your consideration of the attached.

Respectfully submitted,
